Homestead

I, James Cameron
Vegreville, Alta.

solemnly declare:—

That I made entry for the above mentioned lands at the Dominion Lands Office at Edmonton on the 7th day of October, 1910, and I now ask to have said entry cancelled, and be permitted to take up another homestead for the following reasons, namely:

Sir,

You have been recommended for patent for the S. E. ¼ of Section 22. Tp 4, Rge 23 West of 4th Meridian which, according to the official plan of survey contains an area of 139.40 acres, the remainder of it being covered by the waters of a certain lake. As the waters of this lake may have receded, making the land which was then covered by water more or less fit for cultivation, it is possible that you may wish to have the patent for your homestead issued to cover the full theoretical area of 160 acres, which includes the land and the land covered by water.

If you desire the patent issued in this way, on your filing with the Department here a solemn declaration, a form of which is herewith enclosed, to be made in accordance with the provisions of "The Canada Evidence Act, 1893," that the land covered by the waters of the said lake, as shown upon the official township plan, is now dry, the patent can then be issued for the full theoretical area of 160 acres, more or less.

Dear Sir,

Mr. J. B. Miller the party interested in this suit of which the accompanying papers are explanation, wishing me to write you to see if anything could be done towards his relief. He explains to me as follows which in the main I know to be correct.

He says:"Eighteen years ago I took up residence on this land with the consent of Mr. Godsar, the then lease holder. I at once made application through Dom. Lands Agt. at Lethbridge to purchase but was informed that the land was not then on the market.

I have resided on the land continuously since then and am still in possession and have cropped regularly all that portion of said land which is fit & suitable to agricultural purposes.

The Plaintiffs in this case would relieve me on the payment to them of $10.00 per acre, this I cannot afford to pay but if they would accept say $3.00 per acre this being about the opening price when the land came into the market I might be able to meet them"

Personally I cannot see that anything can be done for Mr. Miller by your Dept. as undoubtedly he has neglected for years to secure himself in this land.

I beg to return the extract from Mr. Jas.H.Schofield's letter,dated Pincher Creek,the 21st ultimo,on behalf of Mr. J.B.Miller,against whom the Calgary and Edmonton Land Company,Limited,have taken legal action to have him ejected from the N.E.¼ of Section 27,township 6,range 1,west 5th meridian, lying North of the South Fork of the Old Man River, containing 94 acres,upon which land it is stated Mr. Miller has been residing for 18 years. It is further stated that Mr.Miller first took up his residence on this land with the consent of Mr.Godsar,the then leaseholder,and that the former's application,made at the time,to purchase the land was refused by the Agent of Dominion Lands at Lethbridge as the land was not in the market.

The land above referred to was patented to the Calgary and Edmonton Land Company on the 14th December, 1901,and under the circumstances I do not see how the Department could interfere in the matter.

It is observed that Mr.Schofield states that "personally I cannot see that anything can be done for "Mr.Miller by your Department,as undoubtedly he has "neglected for years to secure himself in this land."

Dear Sirs, 18th January, 1911.

Some eighteen years ago a Party by the name of J. B. Miller settled on the north-east quarter of section 27, township 6, range 1, west of the 5th meridian, lying North of the South Fork of the Old Man River, and containing an area of 94 acres. Mr. Miller applied at the time for permission to purchase this fractional quarter-section, but he was advised by the Agent that it was not on the market. He however continued in residence upon the place and is there still. The land in question was patented to the Calgary and Edmonton Railway Company on the 14th December, 1901, as part of its land grant, and, as Mr. Miller has refused to vacate the property, the Company has entered suit in the Supreme Court of Alberta for his ejectment from the place. It is unfortunate that Mr. Miller had not notified the Department of his occupation of the land prior to 1901, as it is altogether likely that the Department would have had the matter at least looked into carefully before turning it over to the Company, such a course being strictly in accordance with the practice of the Department in dealing with the claims of bona fide squatters. However, the remedy in the case would now seem to lie with the Company, and I now write to ask whether it could not be arranged for the latter to accept another parcel of equal value in lieu of the one in which Mr. Miller is now occupying. When it is considered that this party has been in continuous residence upon this land for eighteen years, I think you will agree with me that it would be a great hardship to force him to vacate his home and thus forego the result of his many years' of labour. I would be glad if you will please take the matter up and advise me on the subject at your early convenience.

We have been informed that Mr.Miller homesteaded a quarter of Section 34-6-1-W.5th adjoining above mentioned section 27 and that he also pre-empted a quarter and purchased another quarter of section 34 and if our information is correct, it would appear that he has thus obtained from the Government all that he is entitled to as a settler on Section 34.

It seems to us that the matter has gone almost too far to be adjusted in the manner suggested by you in view of the fact that the minerals under the greater part of the land have been sold and of the heavy costs which we have already been put to in the matter.

We have always tried to oblige your Department and we would ask that after considering our position, you would make a further suggestion as to a possible means of settlement.

- Re N.E.¼., North of River, of 27-6-1-W.5th- File 415-

We are in receipt of your letter of the 19th inst., your file No. 35717 A., regarding the above land which has been squatted on by one J.B.Miller and asking if in view of the circumstances mentioned it could not be arranged for the Company to accept another parcel of equal value in lieu of that which Mr.Miller is now occupying.

We regret that this matter has not been brought to the Department's notice at an earlier date, as we have just obtained a judgement against Mr.Miller for the recovery of $220.00 and $34.74 taxed costs, totalling $254.84 for which amount executions have issued and registered against the goods and lands of Mr.Miller.

Mr.Miller has known for a number of years that the land was the property of this Company but neither wanted or purchased. It was, therefore, necessary for us to take proceedings against him in connection with which we have been put to considerable expense.

The Company has sold the coal lying under Legal Subdivisions 9,15 & 16 of Section 27 and offered to sell Mr.Miller the N.E.¼.-27, lying North of River,-6-1-W.5th, minerals excepted, for $10.00 per acre, plus survey fees.

Miller could then dispose of that tract at a good price and pay over to this Company the $1.00 per acre which we are seeking for the support of Dyer of [illegible], but of course it must be understood that in addition to the $1.00 per acre we must pay the amount of the judgment against him together with interest on same, and the expenses to which the Company are put in this matter.

I do not know what claim Miller may have to any strong claim to the land he now wishes to secure. I know that he has not much to sell, but it is claimed by the Company that they would not make any arrangements to purchase or secure it in any way.

Your favour of the 8th ultimo, re the above, was duly received but after further considering the matter we have come to the conclusion that the owners of the above section have not been put to any hardship as set forth in our letter of the 2nd inst.

As previously stated, the owner having sold the coal in the above section, under patent, all that he now retains is the right to mine coal in the surface of the land. For over fifteen years, the owner has not been entitled to it, we obtained judgment against him, entitling us to the S.E.4. We offered to sell Mr. Miller the above mentioned land for $1.00 per acre more, considering that the coal is practically of no value, otherwise, however, but this he refused to do.

We understand Mr. Miller has already secured a quarter section of 24-6-1-W.5th adjoining the above section. We now learn that he has also pre-empted a quarter section adjoining another quarter section 14, and if our information is correct it would appear, as we have previously stated, that he has obtained from the Government all land that he is entitled to. Sir,-

- Re N.E.¼.27-t-1-W.5th, lying North of South Fork of Old Man's River -
File 413

Referring to your favour of the 29th March last, No.35717-A and our reply of the 14th April, we are now in receipt of an enquiry from one of our representatives in the West as to the price of the above mentioned Quarter Section.

In previous correspondence we advised you that we had offered to sell Mr.Miller the above land for $10.00 per acre. Possibly you have been in communication with him since we last wrote you and we should like to hear from you before taking any definite action in the matter, but as we can sell the land, we must, in our Company's interests, insist on Mr.Miller coming to some definite decision as to whether he wants the land or not, without further delay.

We have the honour to be,

Sir,

Your obedient servants,

judgment against Mr.Miller for $285.54,and that the Company had offered the land to Mr.Miller at $10.00 an acre. They further stated that they did not agree with the view of the Department that Mr. Miller had a strong claim to the land as "We knew it did not belong "to him,that it belonged to the Company,and simply would "not make any arrangements to purchase it in any way. "We must protect the purchasers of the coal "lying under this land and the judgment and costs in "connection with our claim against Mr. Miller are simply "the result of his absolute inattention or indifference "to all communications addressed to him."

Thereupon Mr.James H.Schofield and Mr. Miller were advised by Departmental letters of the 11th ult. last of the Company's refusal,and that if Mr.Miller was still desirous of acquiring the land he would have to deal direct with the Company.

Memorandum:-

19th November,1909.

Re claim of James Miller of Coleman,Alta. to the N.E. ¼ of section 27--6--1.West 4th M. containing 96 acres,patented to the Calgary & Edmonton Land Company.

I beg to return the Minister's memorandum of the 11th instant,in which it is intimated that he desires to consult you in the above matter.

In connection with Mr.Miller's claim,I beg to refer you to my memorandum of the 30th December,1908,on File 357074,herewith,in which the particulars of the case are set forth.

It will be observed that the Calgary & Edmonton Land Company,[illegible] for the said land in 1901,was then taking steps to eject Mr.Miller from this land upon which he had apparently been living for eighteen years; and that under the Minister's instructions it was pointed out to the Company's Agents,Messrs.Osler,Hammond & Nanton in the [illegible] letter of the 29th March last that Mr.Miller appeared to have a strong claim to the land in question,upon which he had homestead and pre-emption,and to deprive him of this property would be a most serious hardship.

Messrs.Osler,Hammond & Nanton in reply stated that the Company had already disposed of the coal rights in this land,that it had obtained a judgment

Gentlemen,

Adverting to your letter of the 20th September last, I am directed to inform you that the claim of Mr. James Miller to this land is again engaging the attention of the Department, and, as the facts of the case would, in the opinion of the Department, justify the conclusion that Mr. Miller has an equitable claim to the parcel, it would be appreciated if the Calgary & Edmonton Land Company would exchange the surface rights for an equal area of available land.

Referring to your favour of the 10th Inst. File No.35717-A, we beg to say that we cannot alter our views as expressed in our letters of the 13th April and 20th September last, addressed to Mr.W.W.Cory, Deputy Minister, for, as explained to him, we have already obtained a judgment against Mr.Miller for $285.54 and we cannot see any reason why the Company should lose this amount owing to Mr.Miller negle cting to pay for land occupied by him and which belonged to the Company.

Neither in this nor in any other land grant which we have dealt with, have we ever, that we can remember, declined to exchange land when requested by your Department so to do, though in some cases the Companies represented have been the loser by the exchange, but we think that this is a case in which we cannot reasonably be expected to make an exchange, unless of course, Mr.Miller is prepared to pay a fair amount to us and in addition to such payment by Mr Miller the Government to give us an equal area of land in lieu of that which they are asking this Company to give up.

Referring to the latter portion of your favour of the 10th Instant, with regard to your Department's desire that we should relinquish claim to the surface of the above mentioned land in order that Mr. Miller may acquire it - We beg to say that provided we are allowed to select an equal area of land in exchange for that which you desire us to give up, we are prepared to relinquish our claim, providing Mr. Miller pays to us the amount of the judgment obtained against him, amounting to $230.80 and $54.74 taxed costs, a total of $285.54, together with interest at the rate of 6% from 1st January 1909. If our claim is paid within two months from this date, we will accept a net amount of $300.00.

Sir

We the undermentioned settlers whose names are hereto attached, and residing in Tp. 36 R. 22. and Tp. 35 R. 22. W. 4th M. beg to call your attention to the fact of an application having been filed requesting the use of Section 11 Tp 36 R 22. for Grazing and Haying purposes.

Considering that the entire Tp. 35. R. 22 was completely burned off and also a large portion of Tp. 36. thus leaving the new settlers totally destitute of hay for this reason, it is our opinion that this Section should only be let in small portions to individual settlers and not entirely to any one individual, as this would entail a heavy loss on settlers, with any stock whatever

Protests having been made by a number of [illegible] against the issue of a lease for grazing purposes of Section 11, in Township 36, Range 22 west of the 4th Merid ian, the matter was in accordance with instructions referred to the Homestead Inspector for report.

The Agent now files here the report of Homestead Inspector Sawyer, who states that there are a great many homesteaders settled in this Township, who have more or less stock, and he does not consider that it would be advisable to grant Mr. Greenwood, the applicant, a lease of this land, and adds that he thinks an equal revenue would be derived from the issue of hay permits. I suppose that under the circumstances the lease should not be granted ?

I am about to leave Ontario, and go out to do all the duties required to be done, on the said lands, and have already sent out money to another brother resident near the said lands, to be spent in improvements thereon, in all I have sent $250. to be so spent, and it is our intention to go out and become permanent residents on the said lands, and this application is not made with the intention of holding the said lands for speculation, but in good faith with the intention of becoming actual settlers.

Dear Sir:-

I am in receipt of yours of June.27 replying to mine of the 13th I again apply on behalf of Mrs Wood that she be allowed to live with her brother who has a homestead in the same township. It seem to me rather hard that she should not be allowed that privilege whereas a man may live with his father and mother provided he carries out the regulations ,I cannot see the difference.

Kindly re-consider your decision and let me hear from you. Oblige.

Dear Sir
With reference to our conversation re ¼ section 16-9-25 W 4th m I beg to state that I have an application being made to homestead the said ¼ section. and wish to lay before the particulars of my claim of the said ¼ section as follows. In the first instance I was appointed administrator of the estate of the late James Scally by the late Judge Macleod in January 1893. I paid the funeral expenses and all debts and have held on to the land ever since in case any of his relatives might turn up. I made all possible enquiries at the time and no person seemed to know where he came from. There was a house on the place at the time of his death but has since been removed by some unknown person and there is still a fence around the whole section there has also been about forty acres broken. I think after so many years have elapsed I consider myself entitled to the patent of the said ¼ section. and trust that you will use your influence to procure the same.

Yours Sincerely
Jed C. Kirby.

The Honorable Frank Oliver,
Minister of Interior,

Dear Sir,-

The enclosed letter from Mr. Roby, sets forth his claim to the land in question, and all those who have been here for some time, know of the position he is in with regard to the estate of the late J. Beatty. The land was fenced, with a house and small stable on it at the time of Beatty's death. It is some years since he died, and any right or title to the said land belongs to Fred Roby. I think, on looking up the land you will find his statments correct, and I trust it may be such as to entitle him to the said property. S-E, ½ - 16 - 9- 25, West of 4.

Yours truly,

Sirs;-

With reference to S.E. 1/4 section 18--9--25 west 4th.M

I have a letter before me with reference to this land, from J.W. Martin, Esq., Land Agent at Lethbridge, to the effect that the question of my right of entry is being dealt with at Ottava . The gentleman who had former entry for this land died in, I think 1892, and from that time till now , not one thing has been done in reference to the place. There are no improvements on it, and unless Mr. Roby, wishes to make entry for homestead there is no right whatever why I should not be allowed entry. Mr. Beatty, the former occupant died without will and up to the present time no traces of any relations have been found. I am very anxious to make entry and commence improvements this fall, and further under the new regulations I am refused a chance to cancel any other entry for non-fulfillment of duties, until this is settled . I am fully cognizant of all the facts, as no doubt you are, and there is no reasonable grounds for allowing any person to obtain this land except a bona fide homesteader. I would be very obliged if this matter could be settled at an early date.

Yours truly,

Sirs;-

On June 30th. /06 I wrote re homestead S.E. 1/4 of section 16--9--25 west 4th. Up to the present time I have not had reply . A few days ago I received the right, good for twenty days, to make entry for another homestead namely the N.E. 1/4 eighteen 8--25-- west Fourth. . This is an inferior quarter to the one first above mentioned and I do not desire it if it is the intention of your department to allow me my right of entry for the other. I will however be forced to enter on or before the 24th. inst or lose my chance. I know your department will appreciate this position and assist me as far as possible. If you are unable to settle the question as to right of entry to N.E. quarter of eighteen as above, will you not direct your agent at Lethbridge, Alta. to grant me an extension of time in which to enter for the first quarter above named. I respectfully ask to have this matter dealt with at once , and that I be informed on or before the 24th. inst.

Sir-

Referring to your letter of the 18th. ultimo, I beg to inform you that before a patent can be issued to Mr. F.C.Roby, as legal representative of the deceased homesteader, Mr. J.Beaty, for the South East ¼ of Section 16, Township 9, Range 25, West of the 4th. Meridian, it is necessary he should file with the Department Probate of the Will, or if the deceased died intestate, a copy of the Letters of Administration, duly certified by the Officer of the Court by whom they were issued. Unless this requirement is complied with, a patent cannot be issued.

If as Mr. Roby claims he was appointed administrator by Mr. Justice Mc.Leod he should certainly be able to satisfy the Department as above, and he has already been notified accordingly. It is not understood why he should experience any difficulty in the matter.

Dear Sir,

With reference to the correspondence we have had regarding Roby's claim for the old Bar W homestead I would draw your attention to the following particulars:-

Roby as a servant in the employ of the Bar W Outfit was under contract by Colonel Macleod to look after the estate of Jim Healy, which you will remember was in the name of the late Mr. Healy. Roby was also employed as assistant manager, and I do not see how he could have well left the employ of the Company for his own use. He placed this on a footing with Mr. Charlie Hewitt's health. for this outfit and there is no doubt but they will be issued to him on his giving the necessary security. He can not expect to administer the estate without giving the security, and as proper getting the land in his own name much as I would like to see him get it I can not understand how it could be accomplished. W.M.M.

Sir,-

In further reference to your letter of the 18th December, 1906, and to the interview which you had with the Deputy Minister recently in regard to the appointment of Mr. F. C. Roby to administer the estate of the late J. Beatty, who homesteaded the South-East ¼ of Section 16, Township 9, Range 25, West 4th Meridian, I beg to inform you that it is not possible to issue a patent for the land to the personal representative of the deceased until letters of administration are filed in the Department. The affidavits made by Messrs. Murison and Bryan, to which reference has been made, cannot be accepted as establishing Mr. Roby as legal representative of the deceased. The Department could not even accept a notarial certificate to the effect that such administration had been granted, and, under the circumstances, there seems to be no way out of the difficulty, except for Mr. Roby to make application for and secure from the Court letters of administration.

The Departmental letter which you left with Mr. Cory is attached hereto.

J. Herron, Esq. M. P.,
House of Commons,
Ottawa. Re Roby.

My Dear Herron,

With further reference to your letter about Roby's claim his Lawyer and myself interviewed Chief Justice regarding getting letters of Administration, but in view of his having been appointed executor a number of years ago by the Late Judge Macleod it is impossible to get new letters of administration nor can he apply for them, the only person who could do so would be some relative of the late John Beatty or a creditor, and of course Roby is neither, and I cannot see what we can do for him under the circumstances. The only other course that I can see would be for him to apply to have the homestead cancelled and then make application to be allowed to homestead it. Do you think we could work that? Yours received re Block and many thanks for the prompt attention you gave to it. I trust the Minister will see fit to grant him his claim. With kind regards.

Yours faithfully,

use the word "proper" intentionally) letters cannot be obtained by Mr. Roby to administer the estate of the deceased

As I understand the matter Mr. Beatty died without leaving a will, in which case an executor could not be appointed. The proper course would, therefore, be the usual course in the case of an intestate deceased owner namely to apply by the proper written forms to the judge for administration.

I know of no law by which any one can ~~authorizex~~ be authorized by any judge or other judicial funcitionary or be authorized by a judge in open court to administer the estate of a deceased person. If the Chief Justice you refer to did not state to you what this law is, possibly he gave Mr. Roby's solicitor that information. Possibly the latter may have had previous knowledge of such a law if there is one. As I have already stated I do not know of such a law, but if there is such a law and the appointment referred to made Mr. Roby the lawful administrator of the estate of the deceased, you will put me in a position to so report if you can give me the knowledge above referred to.

Dear Sir,

Mr. Herron, MP, has handed me your letter of the 4th instant, to him, with reference to the S.E.¼. 16-9-26-West 4th M., the homestead of the late J.Beatty, and the application of Mr. F.C.Koby as the executor or administrator of the deceased for the issue of letters-patent for that land, and I have since carefully perused all letters and other papers here relating to this land.

According to declarations made by Mr. J.C.Ryan and Mr. D.L.Morison, before you, upon the 16th October last Mr. Koby who in January, 1895, was a sergeant in the Mounted Police, was in that month appointed by the Hon. Mr. Justice Macleod executor of the estate of the late James Beatty, such appointment having been made in open court at a sittings of the Supreme Court of the North West Territories.

By your letter of the 4th instant it appears that you and Mr. Koby's solicitor have been advised by the Chief Justice of the Supreme Court of the Province that because of the above mentioned appointment proper (and I

Dear Sir,

I beg to acknowledge receipt of your letter of March the 20th. with reference to T. C. Roby administrating the estate of the late W. J. Beatty, and note its contents and will let Mr. Roby's Solicitor see your letter. The facts of the case are that when this man died there were no public Administrators in the Territories and no one to look after this property. When this was brought to the then Judge's attention he instructed Sergeant Roby to look after this estate, and Roby has considered himself administrator ever since, and naturally when he came to get his patent and certificate of ownership he had nothing to show his authority in getting this. What the Chief Justice stated was that if he had been properly appointed by Mr. Justice Macleod why then he the Chief Justice could not re appoint him. Thanking you for the attention you have given this and I will write you later on the subject.

I am.

The Law Clerk,

Sir:-

Mr. F. Roby for whom I am acting has shown me a letter received by him from Mr. John Herron M.P. enclosing a copy of a letter from you with reference to the South East quarter of section 1., in Township 9, Range 25, West of the 4th Meridian, the homestead of J. Beattie deceased. Mr. Roby, it would appear from your letter to Mr. Herron has misunderstood what I told him about his application for confirmatory letters of administration. Chief Justice Sifton to whom the application for confirmatory letters was made by me merely attached no importance to the informal statement stated to have made by the late Col. McLeod and as Roby except for some very trifling amount due him at the time of Beattie's death does not appear to be even a creditor, he has no status or but very little to apply for letters of administration. It would appear therefore that only practicable way in which Mr. Roby can get the land is by applying for cancellation or by asking permission of the Department to purchase the land for a small price which I think under the circumstances he is entitled to do. I shall be obliged if you will give this matter your favorable consideration and if you could suggest any better course that would be fair to Mr. Roby I should very much appreciate it. Mr. Roby is deserving of every consideration in this matter.

Your obedient servant,

Memorandum :- 39206 A.

To the Deputy Minister,

The accompanying file relates to the S.E.¼ 16-9-25-West of the 4th Meridian, the homestead of Mr. F.Beatty, now deceased. Upon his death Colonel (afterwards Justice Macleod) - then commanding the North West Mounted Police Force at that point - requested a sergeant of the Force named F.C.Hoby to take charge of Mr. Beatty's homestead and improvements. This was in 1893 and Hoby claims that he has lived upon and improved the place ever since and that he should be given a patent in his own right for the land in question.

I advised Mr. Herron M.P., who saw me several times during the last Session of Parliament about this case, that Mr. Hoby had no claim to the land that could be legally recognized and that his occupation upon and cultivation of the land could not be accepted as residence and cultivation on behalf of the deceased homesteader or his legal representatives, as he - Mr. Hoby - was not one of such representatives.

Mr. W.M.Campbell, Advocate, Macleod, in his letter under of the 24th ultimo to me, suggests that Mr. Hoby should have Mr. Beatty's homestead entry for the land cancelled and obtain an entry for it in his own name.

Apparently

Apparently, as Mr. Roby's residence and cultivation of the land, cannot be counted for Mr. Beatty or his legal representatives, the Beatty entry is liable to cancellation, and I consider that Mr. Campbell might be advised that if Mr. Roby has Mr. Beatty's entry cancelled in the usual manner and there is then no other obstacle to his obtaining a homestead entry for it in his own name he will be granted such entry in view of the exceptional circumstances of the case.

MEMORANDUM:-

This is an old case that has been long outstanding.

I dealt with it in a memo, dated the 30th of May, 1907, making a recommendation in the last paragraph.

By your direction the Agent was asked to furnish full particulars as to the cancellation proceedings. You will see what he says in his letter of the 31st ultimo.

Respectfully submitted,

F. Fitz Roy Dixon

J.W. Greenway, Esq.,
Commissioner of Dominion Lands,
Ottawa.

C.H. 39206a.

Ottawa, 17th March, 1909.

Mr. Greenway:

(Summary)

The question in this case is as to the disposition of the SE¼ 16--7--25 W.4th.

F. Beatty obtained entry for this quarter on August 4th 1899. Subsequently he died, and one T.C.Roby claimed the land as Legal Representative of the deceased, he (Roby) alleging that he was requested by the late Justice McLeod to take charge of the estate, and he claims to have lived on the land and to have improved the place and asks that he be given patent in his own right.

The Homestead Inspector's report dated 3rd. November 1906 shows that Roby did not reside on the land nor improve same. The application for patent made by him sets forth that the late Beatty performed the required residence and broke and cropped 40 acres, but as cultivation was carried on only in the year 1900 it is not sufficient to comply with the provision of the regulations in that respect and therefore the duties are in default.

Roby, it appears, has been unable to secure letters of administration to the estate. If the deceased had relatives at the time of his death, their whereabouts are unknown.

Mr. Dixon's views in the matter are: "In the "absence of letters of administration, which Roby is unable "to secure, he cannot be recognized as a personal represen"tative, and as there are apparently no relatives or "other claimants, it would seem that the entry should be "cancelled in default and the land revert to the Crown to "be disposed of as ordinary Dominion land."

Mr. Rothwell's views are: "Apparently, as Mr. "Roby's residence and cultivation of the land cannot be "counted for Mr. Beatty or his legal representatives, the "Beatty entry is liable to cancellation, and I consider "that Mr. Campbell might be advised that if Mr. Roby has "Mr. Beatty's entry cancelled in the usual manner and "there is then no other obstacle to his obtaining a home"stead entry for it in his own name, he will be granted "such entry in view of the exceptional circumstances of "the case."

It does not appear that the interests of the estate of the deceased have been properly looked after. If Roby could not obtain letters of administration to the estate, and no relative turned up to do so, it would appear to have been the duty of the Public Administrator to care for same and to have made arrangements for the completion of the cultivation duties. (Beatty in his lifetime put in 3 continuous years residence).

Roby no doubt acted in good faith and may have some claim against the estate, but if the Public Administrator should now step in and earn patent, Roby could then look to him for settlement of any claim against the estate which he might be able to establish.

entry and in giving Mr. Roby first right to make homestead entry for the land.

Several other persons are pressing for cancellation of the Beatty entry, and I consider that each of them should be advised, if the action I have suggested be taken, and I consider it should be taken, that Mr. Roby has a prior right to be granted entry for this land, and that his (that is, each of the claimant's) application will be considered if Mr. Roby does not avail himself within a reasonable period of this right to make entry.

Memorandum.

To the Deputy Minister.

You will see that Mr. Greenway referred your memorandum of the 7th instant, to Mr. Dixon, and that Mr. Dixon has passed it on to me.

I have again gone very carefully into the claim of Mr. F. C. Roby to the homestead of the late F. Beatty, the S. E. ¼ Section 16, Township 9, Range 25, West Fourth Meridian, and I find that although Mr. Roby resided upon this land and cultivated it in the belief that he was the legal representative of the deceased, he had not been so appointed, and had no legal authority to act in that capacity. He was not, and is not, a legal representative of the deceased homesteader, and his residence and cultivation of the land cannot therefore be allowed, either in support of his own claim to a patent for the land, or the claim of any of the heirs of the deceased, if he left heirs.

Mr. Roby has therefore no legal rights to this land, either as legal representative of the deceased or in any other capacity, but in my opinion, as the Beatty entry is liable to cancellation, the facts of the case, particularly the instructions given to Roby by the late Justice Macleod to take charge of the estate of the late Mr. Beatty, fully warrant this Department in cancelling Mr. Beatty's

entry

A long time ago I made application to homestead this quarter section, and I understand that my application is first in order, but that the Department have not yet dealt with the matter of opening this land. You will remember that I called your attention to the fact that this land was homestead away back sometime in 1886, and that the gentleman died with no improvements and no heirs have ever been found or can be found and the land is lying useless. I wish now to make application to buy or preempt under the Honorable Mr. Oliver's new bill this quarter section. I presume being first on the records in connection with this land I will be now first. Kindly be good enough to advise me. Will you be kind to let me know the terms of Mr. Oliver's bill under which now acquire this land.

Ref. 39800-A

Ottawa, August 29, 1908.

Memorandum:

Mr. Greenway.

S.E.¼ of 16- 9- 25- W.4.

Mr. McKenzie objects to the action of the Department in allowing F. C. Roby to obtain entry for the above land.

You are familiar with this case which Mr. Shannon went into very fully in his memo. of the 17th March last.

It appears that Jas. Beatty obtained entry for this land in 1889, and put in the required residence. He died in 1893 and Mr. Roby who claimed the land as the legal representative of the deceased afterwards applied for patent. This was not allowed as Mr. Beatty's cultivation was all performed in the year 1890.

Mr. Roby was given an opportunity of establishing his right as legal representative but failed to do so.

John Herron, M.P., afterwards asked that Roby be allowed to purchase this land but this application was refused.

On the 1st of June last the Agent at Lethbridge was instructed to cancel Mr. Beatty's entry and give Mr. Roby first chance to re-enter, and on the 26th July following he was instructed to allow Mr. Roby a further period of 30 days in which to come forward and avail himself of this privilege.

Mr. McKenzie states that whatever Mr. Roby did for the late homesteader was simply in the capacity of a police officer for which he was paid by the Government--that the land is within three miles from MacLeod and worth about $15. or $20. per acre-- that Mr. Roby is a clerk in the MacLeod Hotel and it will be hard for the people to understand why he was given the land. He is also of the opinion that Mr. Roby obtained Military scrip but there is no record of this in the Intest Branch.

It would not appear that Mr. Roby intends to become a bona fide settler on this land, as there is on file a letter from him addressed to John Herron, M.P., in which he states that he cannot spare the time to go on the land and unless he is allowed to purchase he will have to give it up. There is also a telegram from him dated the 31st instant, asking if he can transfer his homestead right.

The extension granted to Mr. Roby in which to make entry runs out today and you may not see fit to renew it.

Land within 3 miles of McLeod, and
worth between $15. and $20. per acre.

Commissioner

See your Memo 29 Jan 09

28.4.09

Entry was granted to F. C. Roby in August last. Several communications have been received from other persons making enquiry with regard to this land, and in January the Commissioner instructed that it should be inspected promptly at the expiration of six months from the date of entry.

In the meantime Mr. M. Scheer asked for the land as a pre-emption, having a homestead on the adjoining land.

The Inspector reports under date of march 10th that nothing has been done in the way of residence, and that Mr. Roby has made no effort to comply with the regulations. The Inspector does not, from the information he has received, consider him a bona-fide settler.

There is now on the land one mile of fencing, valued at $50.00, which was there when entry was granted to Mr. Roby. He paid $50.00 for it.

Probably the Commissioner intended to deal specially with this land should the existing entry found to be in default.

The Agent has received an application for inspection, and asks whether proceedings should be instituted.

Respectfully submitted,

Sir,

Referring to your file #19812, I beg to inform you that the case of F.C. Roby, South East 1/4 of Section 16, Township 9, Range 25, West of the 4th Meridian, has been further considered, and it would appear that he was granted entry for the above land in error; that he never performed any residence or improvements which would entitle him to special consideration. Mr. Roby has held entry for over a year, and as yet has done little, if anything, in the way of complying with the conditions under which he obtained entry. It has been decided, therefore, to cancel his entry and place this 1/4 section on the list of school lands.

Dear Sir,- Re S. E. 1/4 16-9-25 West of the 4th.

The question of cancellation of this quarter section has been pending for considerable time and our client T. C. Bruce has asked us to write you in connection with the matter. We have rather been given to understand that this land will not be granted to any person as a homestead but will be sold. We hardly see why the Department should vary the original rule in connection with this piece of land but if it is the intention of the Department to do so surely it should first be offered to T. C. Bruce at an upset price. We would appreciate very much your giving the matter your attention at your convenience.

Dear Sir, .

On the 14th. of March I wrote your office re . .1/4 16 9-15- 4th. . asking for an inspection as I had been refused by the Agent here. I got a letter from the Lethbridge office to whom I sent a copy of the letter I sent you saying that this land in question had been placed on the list of school lands therefore it is not now available for homestead entry.

Since I have not received an answer from you I have looked over the last edition of Feb. 1st. 191 "A summary of regulations and recent Departmental Rulings relating to Dominion Lands for the guidance of Agents and Sub-Agents and other officials and for the information of the public and I cannot find where the Agent gets the authority for placing this homestead on the list with school lands.

I would like to know by what authority or rule or both the Agent can place land on the different lists especially this particular . .1/4 -16-9-14- 4 W. 4 it is good farming land.

Now this land has apparently been held for a long time under disguise with a fence built part way around it and not for the last 2 or 3 years has been held under some other mysterious way and circumstances of favor. Now the present entry has held it since Aug. 10th 1908 and never made an attempt to do the first thing on it.

27th September, 1921.

Mr. Stafford.

Re Sec. 11-13-6 W. 4th M.

This is the land which was leased on the 30th May, 1910, to the Province of Alberta for Experimental Farm notwithstanding the fact that the South East ¼ of the same had supposedly been surrendered from the School Lands Endowment by gazette notice of the 12th February, 1910, in lieu of the South East ¼ of Sec. 16-9-25-4.

There was no entry whatever of the surrender in the register until we checked the surrender book a couple of years ago, although the South East ¼ 16-9-25-4 was noted as gazetted as School Lands but without indicating what land was surrendered therefor.

There seems to be very little reason for the assumption in the gazette notice that the South East ¼ 11-13-6-4 was to be surrendered in lieu of the South East ¼ 16-9-25-4, except that on file 1801957 H.O., on the 11th January, 1910, the Commissioner notified the Controller of the School Lands Branch that "it has been decided to remove the above land, (All Sec. 11-13-6-4), from the list of School Lands for sale and select other

other lands in lieu thereof." This decision to surrender all Section 11 was for the purpose of an experimental dry farm for the Province of Alberta, the same purpose for which it was leased to them on the 30th May following.

Then on file 39206A H.O., Memorandum January 28th, 1910, there is a note, perhaps the Commissioner's, across the corner that the South East ¼ 16-9-25-4 was to be gazetted "at once in lieu of some specific exchange in Alberta", and a letter following this Memorandum, inquiring about the South East ¼ 16, has South East ¼ 11-13-6-4 scribbled across it. The notice gazetting the South East ¼ 16 in lieu of this quarter of 11 follows.

I presume as there was a dispute over the South East ¼ 16-9-25-4 that they made haste to gazette it, apportioning to it a quarter section of 11-13-6-4, which they understood would have to be surrendered.

However, the South East ¼ 11 has not been legally surrendered by Order-in-Council. The lease to the Alberta Government would seem to have been put through in good faith, as there was no entry of the surrender in the register of the South East ¼ 11 until comparatively recently, and also when the surrender was put through a couple of years ago there was no clear entry of the lease. Also when requests were made yearly to the Province for rental, there was no reason to suspect from the file that the lease was not in order, and, therefore, the file was never sent to the registers for report.

Should we now have the South East ¼ 11-13-6-4 formally surrendered by Order-in-Council, and should this quarter then be cancelled from the lease to the Province of Alberta of the whole section?

Memorandum.

Mr. Rolling, -

Re S.E.¼ 11--13--6 W.4th Mer.
At present reserved as an Experimental or Demonstration Farm for the Province of Alberta.

I beg to refer you to copy of a memorandum from this Division under date of the 21st June, 1920, concerning this quarter-section, which memorandum I have marked.

You will observe in the third paragraph of this memorandum it was set forth that the South East quarter of Section 11 was relinquished, and the South East quarter of Section 16, Township 9, Range 25, West of the 4th Meridian selected in lieu thereof, and a notice to this effect was forwarded to the King's Printer on the 12th February, 1910, to be published in the Canada Gazette.

The statement referred to is not quite correct, as I now find in going further into this case that instead of the South East quarter of Section 11 being surrendered, the best that was done was to make an attempt to surrender the land, but it was overlooked, or probably not known, that to surrender this quarter-section would require the consent of the Governor General in Council.

As the case now stands this quarter-section has not been legally surrendered from the School Endowment Fund, notwithstanding that the South East quarter of Section 16, Township 9, Range 25, West of the 4th Meridian has been set aside as School Lands and gazetted as School Lands in lieu of the South East quarter of Section 11, referred to.

In the Deputy Minister's memorandum of the 25th June, 1920, hereunder, he states in part - "No action need be taken at the present time in connection with the South East quarter which apparently is now School Lands".

In

In view of the fact that the South East quarter of Section 11 was not properly surrendered, and as the Land Patents Branch, the Agent of Dominion Lands, at Lethbridge, and other Officers of the Department have not been notified that the same was surrendered, and as the land is recorded as School Lands in the various Branches of the Department with the exception of the School Lands Division, and as the surrender of this quarter-section is not now required, I submit that the quarter-section should be re-entered on the books of this Division as School Lands.

The South East quarter of Section 16, Township 9, Range 25, West of the 4th Meridian, supposedly selected in lieu, has been disposed of at a School Lands sale; therefore, this quarter-section could be recorded here as a surplus area, and when another surrender is being made the SouthEast quarter of Section 16 might be taken in lieu thereof.

28th October, 1921.

I beg to refer you to my memorandum of the 18th inst. hereunto, relative to the selection of certain lands to reimburse the School Land Endowment Fund for the relinquishment of the South East ¼ of Section 29, Range 24, West of the 4th Meridian, and to the Deputy Minister's memorandum of the 27th inst in regard thereto.

It seems to me that the stand taken by the Deputy Minister is justified. We had we made a proper exchange at the time the South East ¼ of Section 29 was relinquished, we would not have received for the School Lands Endowment Fund anywhere near the value of lands now selected.

If you will refer to Mr. Stafford's memorandum to me on File #3412 S.L., you will see that the South East ¼ of Section 11, Township 13, Range 6, West of the 4th Meridian, was never properly relinquished from the School Lands Endowment Fund although the South East ¼ of Section 16, Township 9, Range 29, West of the 4th Meridian, was selected in lieu thereof and disposed of as School Lands.

In order to effect an exchange therefore, it would appear to be necessary to take the South East ¼ of Section 11, Township 13, Range 6, West of the 4th Meridian, instead of the South East ¼ of Section 16, Township 9, Range 29, West of the 4th Meridian, as referred to in Mr. Stafford's memorandum.

I would, therefore, suggest before dealing with the matter further, that we have Mr. Collins make an inspection of the two quarter-sections, namely the South East ¼ of Section 16, Township 51, Range 24, West of the 4th Meridian, and the South East ¼ of Section 29, Township 23, Range 24, West of the 4th Meridian, and report as to the relative value from an agricultural standpoint, which, owing to the fact that the South East ¼ of Section 29, Township 23, Range 24, West of the 4th Meridian, was relinquished some years ago, is about the only basis on which we could now effect an equitable exchange.

OTTAWA, 4th November, 1921.

Sir,

I beg to refer you to your letter of the 15th June, 1921, making a selection of certain lands to reimburse the School Lands Endowment Fund for the relinquishment of the South East ¼ of Section 29, Township 53, Range 24, West of the 4th Meridian, which was surrendered some years ago in order that homestead entry might be granted therefor.

In submitting your recommendations for consideration, it is pointed out that it would be unreasonable for the School Lands Fund to ask permission to select in exchange for the above mentioned quarter-section lands of equal value to the present valuation thereof, and had a proper exchange been effected at the time the South East ¼ of Section 29, Township 53, Range 24, West of the 4th Meridian was relinquished, which took effect in the year 1[illegible]6 or 19[illegible]7, the School Lands Fund would not have been entitled to lands of the value now recommended, and it is proposed that an exchange be made on the actual value of the quarter-section at the time it was relinquished.

In January, 1910, an application was received from the Minister of Agriculture for the Province of Alberta to have Section 11, Township 13, Range 6, West of the 4th Meridian, set aside as an Experimental Farm, and it was decided to exchange the South East ¼ of this Section for the South East ¼ of Section 16, Township 9, Range 25, West of the 4th Meridian.

The South East ¼ of Section 16 was apparently set aside as School Lands and was disposed of at Macleod on the 24th November, 1910, at the rate of $12.00 per acre, but it appears that the South East ¼ of Section 11, Township 13, Range 6, West of the 4th Meridian, was never properly surrendered and, therefore, is still School Lands.

The South East ¼ of Section 16, therefore, is held as School Lands, nothing having been granted in lieu thereof, and I would request that you have an Appraiser inspect this quarter-section, also the South

OTTAWA 3rd November, 1921.

Dear Sir,

I beg to refer you to Mr. Stafford's memorandum to me of the 1st ultimo re selection of lands submitted by Mr. Collins, our Supervisor at Edmonton, to reimburse the School Lands Indemnity Fund for the relinquishment of the South East ¼ of Section 29, Township 51, Range 24, West of the 4th Meridian, which was surrendered a number of years ago in order to afford Mr. W. J. Young an opportunity of securing same as a pre-emption entry; to the Deputy Minister's memorandum to you of the 27th ultimo in reply thereto; to my memorandum to you of the 28th ultimo; to my letter to Mr. Collins of the 4th instant in regard to the matter and to his reply of the 14th instant, all of which I have carefully read and which are on file 7016 S.L.

The point raised by Mr. Collins that the lands now selected in lieu of the south East ¼ of Section 29, Township 51, Range 24, West of the 4th Meridian, selected in exchange therefor at the time pre-emption entry was granted were Scarty-five years ago, it would never have been an large a quantity of such lands to exchange for the Fund for the relinquishment of said quarter-section now be long now selected, as will the South East ¼ of Section 29, Township 51, Range 24, West of the 4th Meridian, was not as valuable by any means at the time it was relinquished as it is today. The lands selected in lieu were also of a much lower value than at the present time. This is a point, I think, worthy of consideration in effecting this exchange.

It is also quite evident from Mr. Collins' letter that the South East ¼ of Section 29, Township 51, Range 24, West of the 4th Meridian is of nowhere equal value now and it ever been of equal value to the South East ¼ of Section 29, Township 51, Range 24, West of the 4th Meridian, and that an exchange for this quarter-section would not be fair to the School Lands Fund. I, therefore, would thus some few days consideration and advice as to what further action should be taken in regard to the matter.

I also beg to refer you to Mr. Stafford's memorandum to me bearing date of the 23rd ultimo, on file 36412 S.L., which I have marked, in which he points out

I have the honour to be,
Sir,

that the South West ¼ of Section 11, Township 11, Range 6, West of the 4th Meridian, was never properly surrendered, notwithstanding; the fact that the South West ¼ of Section 16, Township 9, Range 25, West of the 4th Meridian, had been set aside and granted as School Lands in lieu thereof.

In view of the facts as set out by Mr. Stafford in this memorandum, I presume there would be no objection to re-entering; in our books the South West ¼ of Section 11, Township 11, Range 6, West of the 4th Meridian, as School Lands, and holding; the South West ¼ of Section 11, Township 9, Range 25, West of the 4th Meridian, which has already been selected as School Lands and disposed of by sale, as a surplus area available for selection at a future date, provided we do not decide to take same in lieu of the South West ¼ of Section 29, Township 53, Range 24, West of the 4th Meridian.

Dear Sir:

Referring to the Deputy Minister's memorandum to you of the 1st instant, hereunder, I have now written to our Supervisor at Winnipeg to have a valuation placed on the South East ¼ of Section 22, Township 5}, Range 24, West of the 4th Meridian, as at the time it was granted as pre-emption entry to Mr. Young.

I, however, desire to draw your attention to the last paragraph of my memorandum of the 23rd ultimo, and to Mr. Stafford's memorandum of the 23rd October last on File No. }412, relative to the South East ¼ of Section 11, Township 1}, Range 6, West of the 4th Meridian, and the South East ¼ of Section 16, Township 9, Range 25, West of the 4th Meridian.

In view of the facts as set out by Mr. Stafford in his memorandum, I presume there would be no objection to having the South East ¼ of Section 11, Township 1}, Range 6, West of the 4th Meridian, recorded as School Lands in our records and holding the South East ¼ of Section 1}, Township 9, Range 25, West of the 4th Meridian, as a surplus area available for selection at a future date.

Mrs. Thompson, -

Your records show the S.E.¼ of Sec. 11, Tp. 13, Rge. 6 West of the 4th Meridian surrendered and the South East quarter of Section 16, Tp. 9, Rge. 25 West 4th Meridian selected in lieu thereof.

The surrender of the South East quarter of Section 11, referred to, was never authorized by the Governor General in Council and it has now been decided not to surrender this quarter-section.

Under the circumstances please make the necessary correction in your records showing the S.E.¼ 11--13--6 West 4th Mer. as School Lands.

The S.E.¼ 16--9--25 W.4th Meridian gazetted as School Lands should be made shown as School Lands surplus area.

This latter quarter-section will in all probability be selected in lieu of a parcel of School Lands previously surrendered. This transaction is approved by the Commissioner on memorandum of the 5th December 1921 on file 7016 S.L. herewith.

Dear Sir:

Re: Homestead #179969
David Craig Kennedy

Our File 5823

We are Solicitors for the above named and have been requested to inquire into the possibilities of the Mines and Minerals being vested with Mr. Kennedy.

According to our information, the date of entry was January 26, 1905, and the date of Patent was February 3, 1910. The Patent was registered at the Land Titles Office for the District of Northern Alberta on February 21, 1910, Title Number 11-Z-11.

We would appreciate any further information you may have regarding Mines and Minerals within this property, the reason for the lapse of time between the date of entry and the registration of the Grant, and also your opinion whether it is possible that the Homestead Lease may have granted the Mines and Minerals to Mr. Kennedy.

Yours truly,
